Along Maui's rugged eastern coastline is the peaceful town of Hāna. The area is known for its natural, tropical beauty and easy-going lifestyle. The legendary road to Hāna is only 52 miles from Kahului but the slow, scenic drive takes from two to four hours.

Haleakalā

Stretching across Maui's southern and eastern coastline, Haleakalā National Park is home to Maui's highest peak. Rising 10,023 feet above sea level, Haleakalā's graceful slopes can be seen from just about any point on the island. Haleakalā means "house of the sun" in Hawaiian.

Moloka'i and Lāna'i 12

Maui Nui (county) is three islands. Our sister isles Moloka'i and Lāna'i both provide wonderful getaways – and you can get there with a short flight for easy, relaxing day trips and overnight stays.

We could write a book about each of Maui's "Top Twelve," and we'd still only scratch the surface. For a vacation that never goes by the numbers, you've got to experience the legendary Magic of Maui.

5 Land Adventures

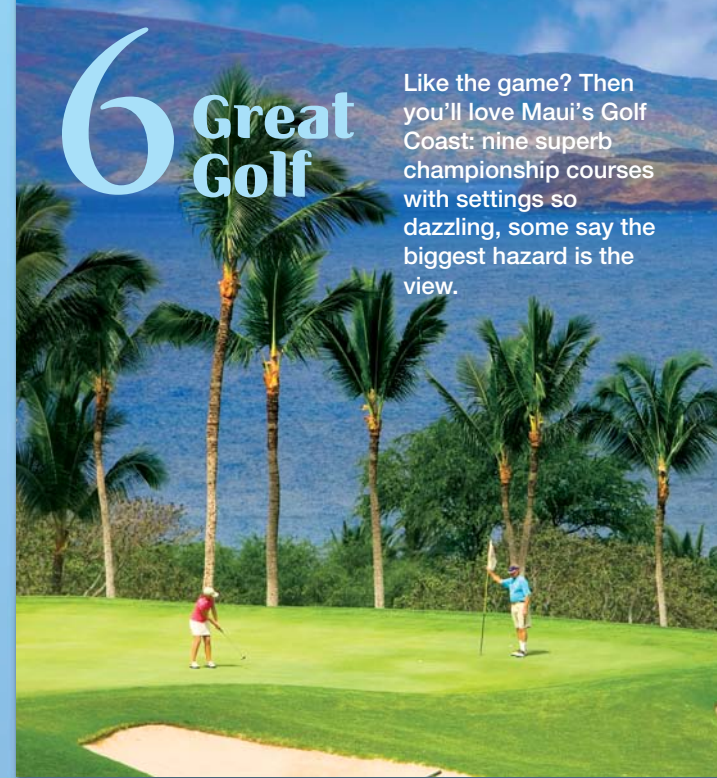

Upcountry Maui is rural, so whether it's hiking, horseback riding or four-wheeling, you'll discover many ways to get back to nature. Upcountry's most popular locations include Maui Wine, Surfing Goat Dairy, and Ali'i Kula Lavender Farm. Makawao, one of the island's charming small towns, is home to Hawaiian *paniolo* (cowboys).

6 Great Golf

Like the game? Then you'll love Maui's Golf Coast: nine superb championship courses with settings so dazzling, some say the biggest hazard is the view.

7

Shopping

There are estate-grown wines and coffees, splendid creations in precious koa wood, hand-blown glass and ceramics, international design boutiques, and priceless offerings from Hawaiian masters. Maui is a shopper's paradise!

8 Dining

From award-winning Hawai'i Regional Cuisine, to mouth-watering lu'au specialties, to savory ethnic sensations, Maui dining is incredible. And don't forget to stop at a roadside stand for some "rainbow shave ice."
